

SWIT®

Dual Pocket Batteries Hot Swap Plate

KA-M20S

KA-M20S
Hot swap plate

Fit 2x PB-M98S batteries
98Wh+98Wh=196Wh

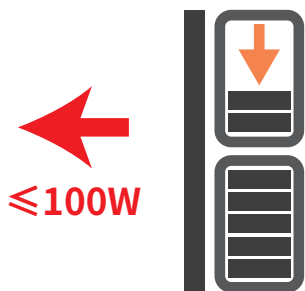

Power/hot swap indicators
for each battery

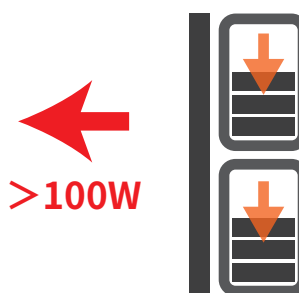

Compact and balanced

Hot swap description

Output power load $\leq 100W$,
Use 2 batteries one by one, hotswappable,
The LEDs indicate which battery can be
taken down to change.

Output power load $> 100W$,
Use 2 batteries together, non-hotswappable
When power load drops down to $\leq 100W$,
it will auto switch to one by one hotswap mode.
